The Honorable Kevin Kiley
U.S. House of Representatives
1032 Longworth House Office Building
Washington, DC 20515

Dear Representative Kiley:

AARP, which advocates for over 100 million Americans aged 50 and older, thanks you for your leadership to ensure that seniors with lower incomes can get help and assistance as they navigate Medicare enrollment and other important Medicare decisions. Thanks to your efforts, millions of people will have access to one-on-one help and enrollment counseling. Medicare can be complicated, which is why services like this are so vital for consumers.

With 2023 outreach and enrollment funding restored and further funding assured for the remainder of 2024, State Health Insurance Assistance Programs and others can focus on providing the guidance, counseling, and services that our members and your constituents deeply value. Again, your leadership proved instrumental in protecting this program. We thank you for your efforts and look forward to working with you to support SHIPs in 2025 and beyond.

Sincerely,

Bill Sweeney
Senior Vice President
